Covid-19 & Sierra Leone

Children in both the Junior & Secondary schools, who are due to sit their national exams, have recently returned to classes. Following requests we have funded the purchase of face masks at 3 schools, to help with Covid safety measures.

Covid 19 today's figures: 1,818 confirmed cases with 67 recorded deaths and 1,362 recovered.

Mahera Wharf Oxford United Hostel

Work has started at the Hostel to install toilets, wash hand basins and a shower. The progress is good, despite it being the rainy season. These may not seem much but this will make a HUGE difference to the 12 lads who live at the Hostel. Many thanks to the 3 main funders, including an Oxford United fan from **Tasmania** !! There is still work to complete and additional funding needed

The Roll Out the Barrel Trust

Recently I met up with Adrian (ROTB Trust) who donated 1,000 safety face visors for Sierra Leone. With the support of Westminster Group PLC these will be air freighted to Freetown for distribution to organisations and communities around the Lungi area where Westminster have an ongoing presence. Many thanks to Adrian & Westminster Group PLC
