My new website is now up and running so for more information take a look. It is in it's early stages so please bear with me while I come to terms with updating it but I hope you enjoy it.

MANY thanks to my fellow Banbury Rotarian John for all his hard work in setting this up for me

For the eagle eyed amongst you I trust you have noticed Oxford United have a new logo, above.

Once again I must thank Peter Rhoades-Brown & the Club for another fantastic donation of kit this summer which we will get to Freetown ASAP.

Also in their match day programme on July 21st they ran an article regarding their support of my projects in Sierra Leone, which I can't wait to show to the guys in Freetown on my next trip. Many thanks to the Club – the Oxford United Community now really extends to Sierra Leone.

Liverpool School, Waterloo

The junior library at the school was started just a month ago & the progress is amazing as you can see from the photos. They are starting to render the walls, tile the floor & paint the entire building ready for the start of the new term in September.
