Liverpool Junior School

Christmas lights switch on

On Wednesday 19th December mains electricity was "switched on" so they now have lights & power in the Junior library & 2 classrooms.

A major step forward for the Junior School

Once again my sincere thanks to the members of the Woodstock & Kidlington Rotary 100 Club who financed the electricity supply with the aid of a Rotary 1090 District Grant. This completes the initial phase of the project – we may add power to other classrooms in the future as funds permit.

Liverpool Junior & Secondary – Libraries

We have now purchased **1220** books and have another **195** to buy (funds are in place for these) to complete the initial stocking of both libraries.

Junior School children with their latest batch of books – Primary Mathematics & Social Studies.

The Willesley Association of School & Parents have donated £50.50 from a Christmas fundraiser – many thanks to the WASPs for their support.

It's All About Me - Banbury Hair Salon

Margot & Grace supported "sanitary poverty" as their Christmas charity & have extended the appeal to support my "Sunny Girl" project in 2019. It costs just **£6** a year to sponsor a girl which supplies her with sanitary pads enabling her to attend school during her menstrual cycles. Since the start of the project, last April, female teenage absenteeism at the school has been significantly reduced. Many thanks to Margot, Grace and their customers for **"Making A Real Difference"**

I will keep you informed of progress next time.
