

Port Loko Primary School

Remember this photo from my last Newsletter?

With the fantastic support of Raging Fever FC, a group of Oxford United fans, we have provided **50** desk and bench sets, which each seat 3 children. **150** children have benefitted and this has really improve their day to day existence at school **“Making A Real Difference”**

The kids saying thank you for their desks & benches

Covid-19 & Sierra Leone

Covid 19 today's figures: 2,385 confirmed cases with 74 recorded deaths and 1,813 recovered

Banbury International Community School

Last week we began to construct a new toilet block at the school and the progress is really amazing. The pit is 4 metres deep and was dug manually!

ALL the concrete blocks are made by local guys.

Shipping to Sierra Leone

Last Thursday I drove a van load of **“goodies”** to the shipping agent in Lewisham and loaded 3 large boxes bound for Freetown. The approximate value of the consignment is around **£8,000** and will be distributed to several communities in and around Freetown. It cost £430 BUT is great value for money when you consider that several hundred people will receive donated items. Many thanks to Ynes, Heather and all the staff at Manor River Freight Services for ALL their help in organising and packing all the goods under a new system on the first day of the latest national lockdown.
