Covid-19 & Sierra Leone

Covid 19 today's figures: 3,282 confirmed cases with 77 recorded deaths and 2,260 recovered

Oxford United Academy

I would like to thank all of the parents, staff, friends and relatives of the players at the Oxford United Academy who have donated an incredible amount of kit for distribution to my communities. All age groups within the Academy were asked whether they had any kit, boots, training tops or other items that the young footballers no longer used, and the response was amazing. I went to the Club Training Ground and collected six large boxes of kit which will be sent to Freetown as soon as funds permit.

Banbury International Community School

The new toilet block at the school is complete with the exception of the water harvesting system which will be installed in the next week or two. Another big step forward for the school community.

We also need to build a small security hut for the caretaker and the internal compound wall needs to be rendered and painted, but I regard the latter as non-essential work so it is at the bottom of the list and will be undertaken as funds become available.

Christmas consignment photos

Last season Momoh was a spectator in the “virtual” crowd at Oxford United & at Wembley. He loved the photo of himself as part of his Xmas present!! We also bought him a reconditioned wheelchair – many thanks to Paul for sponsoring the chair.

Banbury Irish FC donate a team strip to Banbury International Community School

The shirt sponsors were Senecio Digital, Banbury. Many thanks to everyone at Banbury Irish & Senecio for the wonderful support which is continuing to “Make A Real Difference”

AlansAfrica is supported by:

Liverpool Community School, Waterloo

The boys love their Oxford United tracksuit tops.

Aberaeron FC & Aberaeron Rotary donation

Many thanks to both organisations for the donation of this team strip which was greatly appreciated.

Banbury International Community School

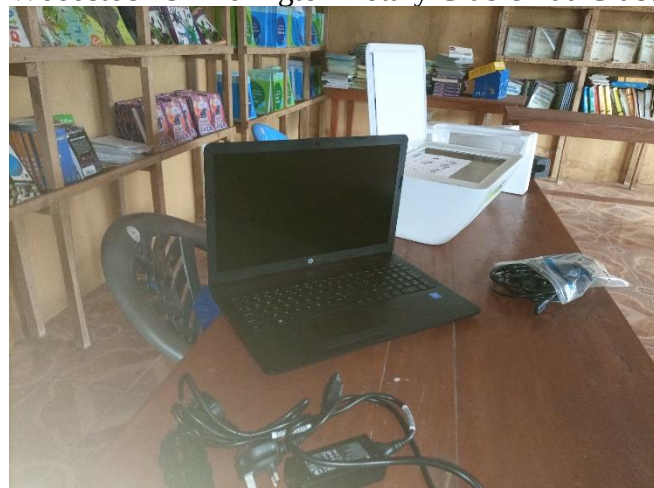

Members of school staff with their new corporate "Banbury Academy" blazers courtesy of Deanne & Darren formerly of Sew Sublime, Banbury.

These photos demonstrate that simple things, like unwanted uniform items and football kits, can really help to **"Make A Real Difference"** to people within the communities I support in Sierra Leone. I hope to be able to fund the next shipment of goods in the next few weeks and know that they will help to support these people who have so little. **"Changing Lives & Making Dreams A Reality"**

Liverpool Community School, Waterloo

The school has had mains electricity in several of the classrooms for a couple of years, courtesy of Woodstock & Kidlington Rotary Club's 100 Club.

They have been badgering me, in a nice way ever since, to provide them with a laptop and printer so they can reproduce curriculum documents etc. It has always been a case of "I will help you when I can" as I have to juggle priorities. However, having just re-claimed Gift Aid I decided the time was right to help them take another step forward. The items cost more in Freetown than in Banbury BUT, a great step forward for the school – well worth it. "Mr Alan - we remain humbly grateful to you for making this great difference in our school. This opportunity will expedite an easy solution to our school's reprographics & record keeping. We are counted among the few to be given the opportunity to keep pace with the 21st Century technology. We greatly appreciate your efforts".

Mahera Wharf FC

Potho & Mohamed at the Sierra Leone Under 17's squad training camp with the new boots we bought them for Christmas wearing training tops supplied by Oxford United.
