We have had another very busy year and with the support of hundreds of people we have generated **£29,400+** in income. The even better news is that **EVERY £** raised goes directly to the project. I would like to say a huge thank you to everyone who has supported the various projects this year, together we are **“Making A Real Difference”** to several communities and individuals in Sierra Leone. I am looking forward to another busy year in 2025.

Since January 2007 we’ve raised **£413,000+** for various educational & community projects.

This photo was taken on 20th December. There will be a break now until the New Year by which time I hope we will have adequate funds to enable us to get the roof on and complete the building work and furnish the hostel so that the staff can start to use this new facility.

Christmas Eve Newsflash - I have just received an e-mail informing me of a donation of £800, plus 25% Gift Aid. This takes the annual income to **£31,400** and this is a major boost towards securing the funds to enable us to complete the building - MANY sincere thanks.
