Kankalay Secondary School, Port Loko

Having completed the first additional classroom in June, we decided to delay the start of the second additional room until the end of the rainy season, which is just finishing, and earlier this week I sent the first tranche of money and the work should begin at the start of next week. This will be the 47th classroom we have funded.

A massive thank you to Oxford United, Banbury Rugby Club, Easington Sports FC & Banbury United, all pictured, and to Banbury Irish FC (awaiting photos) for these kit donations which were greatly appreciated.

Often teams have to play in “skins” because they can’t afford to buy a team strip, so all these sports clubs in the UK are helping **“Making A Real Difference”** to communities in Sierra Leone.
